

SECTION H 2 – WHAT SHOULD THE COMMUNITY USE THE VILLAGE HALL FOR

45 SET OF COMMENTS

Depending on cost

If I were younger the answer would be yes

Don't use hall much at the moment due to lack of time and work.

Have hired the hall in the past for table top dog training

We may consider using a newly built hall for private party/event but not the existing hall

Re H07: No opinion.

Re H07: Would use it but don't at the moment.

H08 YOUNGSTERS / H09 I SIMPLY DON'T HAVE TIME FOR FURTHER REGULAR ACTIVITIES!
BUT MORE WEEKEND COMMUNITY EVENTS WOULD BE GOOD.

H09 PILATES

I DON'T THINK THE CURRENT VILLAGE HALL MAKES THE RIGHT IMPRESSION OTHER THAN
FOR CHILDRENS PARTIES. I WOULD ATTEND MORE IF THE SURROUNDINGS WERE MORE
INVITING

H10 IF THE HALL WAS REFURBISHED

H07 CHRISTMAS FETE / H10 NOT AS IT IS AT THE PRESENT - DAMP AND SMELLY
NOW IMMOBILE SO COULDN'T USE

H10 WOULD BE MUCH MORE LIKELY TO USE VH FOR PRIVATE EVENT IF IT WERE
REFURBISHED OR REBUILT

Would consider using hall if it was upgraded and more up to date

Unlikely to attend film nights as chairs would be too uncomfortable!

H10 The hall is largely unfit for purpose at present!

H07 None attended

H07 None

H10 - the current kitchen prevents the use of the hall fully

H10 query - it would depend on cost

My commitments have not so far allowed me to benefit or contribute to the Village
Hall/village life. I hope this will change one day

Re H07: We borrow tables and chairs for fete.

H10 Not in its present state

H08 I cannot see anything on the list at H07 to attract the young teenagers

Storage of ping pong tables in toilets in not acceptable to other users and dangerous for
children

H8 more activities for the younger generation are required

H10 Hall must be better standard for events

H09 If we can learn the game / H10 The hall as it is now (a tin hut not looking inviting at
all) I would not use and did not use it for wedding receipt 20 years ago or since. The
layout for the toilets and kitchen are very basic for today's social use

H09 Would be useful to have eg a regular chiropodist clinic or physio etc

H10 When its refurbished

H10 Local public houses have reasonable function rooms for private parties as local businesses they need support

Re H08: mainly older residents

Our hall is getting to the end of its life and needs to be renewed; people use other village halls because they are nicer inside
